

FCC,

I am writing to express my serious concern. I have already written to my Senator to express this concern about the deregulation of the media.

Most of our television is already owned by big business and towing the company line. Please allow the few remaining stations serving their communities to continue to do so. I think it would be a horrible, horrible mistake to allow the deregulation to take place.

I will be following this issue very closely. Please do the right thing for the American people and allow what little autonomy there is left in our media to flourish.

Sincerely,

Kate Peckham, Grass Lake, MI. [concerned citizen and voter]
